

**Summary Minutes  
Board Meeting Nov 27, 2006  
Room 302, St Charles North**

President John Spenard called the meeting to order at 7.05pm. In attendance were Board members Kelly Bodway, Jeff Forsell, Dennis McGushin and Matt Ward. Members Gary Campana, Kevin Chamberlain and Gregg Dvorak were unable to attend. Also in attendance were parents Linda Feicco, Bill Rawson and Beth Ward.

The Spring Break varsity trip to North Carolina was discussed. Departure is March 25, return is March 31. Plans are being made for 24 players, 2 coaches and 5 chaperones. Sponsorship will help lessen players' financial commitment. A car wash fundraiser was also discussed as a way to cut players' costs. Full details of the trip will be presented and discussed at Registration Night at St Charles North on Jan. 9, 2007.

Registration Night will be structured in three parts: two separate one-hour registration sessions bracketing a one-hour club information session. Session 1 (registration) is at 6.30pm, session 2 (information) is at 7.30pm, session 3 (registration) is at 8.30pm. Parents will be asked to attend one registration session and the info session.

Plans are being made for a game program, offering the club another opportunity to showcase the players and attract sponsors.

The local media has been contacted with news of Coach Andy Thompson's hiring as Head Varsity Coach, as well as with news of senior Thomas Feicco's scholarship to Mercyhurst College. The Board is optimistic of some coverage of both stories.

Rocks on the Fox was discussed. The event can be a moneymaker with sponsorship and plenty of parent support. Without those components, hosting the tournament is a less attractive option.

The need for a game trainer was discussed. The board agreed to contract a trainer for all home games.

Plans have been made to sell Club spiritwear at Sportsplex during Lacrosse America sessions on Dec. 9 and 16 from 9am to 2pm each day.

Sketches of new uniform designs were reviewed. The board is mindful of the added expense this poses to each player's family, and may seek sponsorship to help defray the cost of any such new uniforms.

The meeting adjourned at 9.55pm.
